Our Services

- ✓ **Contingent Search:** This is purely a pay-per-hire model
- ✓ **Executive & Leadership Role Search:** We do a specialized search approach that is structured and industry-specific for our clients
- ✓ **Tailored Recruitment Solutions:** This offering involves tailoring the recruitment process to the specific needs and preferences of a client
- ✓ **Retainer-ship Based Model:** In this, we work closely with our client for a specified amount of time (usually 12 months) for a fixed fee
- ✓ **Dedicated Resource Model:** We allocate a dedicated resource to our client, who works as an extension of the talent acquisition team
- ✓ **Project Based Hiring:** The organization identifies the need for additional resources to complete a specific project or assignment
- ✓ **Recruitment Process Outsourcing (RPO):** Our RPO services aim to streamline the recruitment process, and save time and resources, by fostering the development of a high-performing workforce, crucial for companies striving for sustained success
- ✓ **Payroll Outsourcing:** We handle all aspects of payroll processing, such as calculating wages/salaries, attendance, bonuses, and commissions, based on the client's payroll schedule.
